

HUMANA
PEOPLE TO PEOPLE INDIA

Community Development Project Lucknow

Final Report : September, 2015 to August, 2016

Ansal Properties & Infrastructure Limited

Community Development Project, Lucknow

Final Report - September, 2015 to August, 2016

Introduction

Humana People to People India with the support of Ansal Properties and Infrastructure Limited has been implementing the Community Development Project across 10 villages of district Lucknow in Uttar Pradesh since September, 2013. The project intends to capacitate community youth and women so as to enable them to undertake initiatives of their own to combat social, economic and environmental problems in their respective communities and to fully participate in a truly democratic process. The project has been adopting the approach of community participation to perform the activities through collective actions, top-down approach for inspiration, bottom-up implementation, community based group work, and capacity building of communities to achieve an overall development of the community.

The project interventions are being implemented through an integrated approach of development, with emphasis on improvement of health services, education and initiation of income possibilities for the community youth and women. It also focuses on training women by organising them into Self Help Groups, Women groups, Adolescent Girls Groups and conducting their capacity building and literacy sessions. Besides, Village Action groups has been formed to mobilise the people in the community and to educate them on the issues of concern so as to bring their overall development.

The Project Achievements (In Numbers)

S. No.	Activities	Plan	Result	Diff- (+/-)
<i>Village Action Group</i>				
1	No. of meeting with Village Action Groups	120	107	-13*
2	Participated in Gram Panchayat meetings	60	65	05
<i>Self Help Group (SHG)/ Women group</i>				
1	No. of monthly meetings with SHG	156	143	-13*
2	No. of meeting with women group	240	252	12
3	No. of SHG open bank account	02	01	01
<i>Hindi literacy Classes for SHG</i>				
1	No. of members attending the literacy classes	50	54	04
<i>Activities with the Youth Club</i>				
1	No. of existing youth clubs strengthened	10	10	0
2	No. of monthly advocacy meetings with youth clubs	120	116	-04*
3	No. of meetings held with youth to discuss about health & \sanitation	120	116	-04*
4	No. of meetings with youth to map un-cleaned areas of their villages & discuss the problems, villagers are facing due to unhygienic conditions	120	116	-04*
5	No. of cleaning actions carried out by the CBOs	10	11	01
6	Participated in sports tournaments organised for the Youth	0	02	02
7	Organised group activities	10	11	01

8	No. of boys/girls trained in Computer literacy course	0	184	184
9	No. of women's / girls enrolled in English speaking	0	75	75
10	No. of women's / girls trained in Stitching	80	98	18
Activities with Adolescent Girls

2	No. of meetings on reproductive health, early marriage & personal hygiene held	168	173	05
3	No. of monthly advocacy meetings held	168	173	05
Health and Sanitation				
1	No. of workshops organised on health and hygiene	10	11	01
2	No. of kitchen gardens established	0	232	232
3	N. of health camp organised	0	02	02
4	No. of trees planted	1,000	250	-750
* Due to the non-availability of Youth Club and SHG members in their respective villages due to summer vacations of children in June and July, the planned number of activities were not accomplished.				
** The nursery to avail the saplings was located in Lucknow and the transportation cost involved was high. Also, there was no budget for saplings transportation, resulting which less number of saplings were planted.				

Project Activities

Village Action Groups - Village Action Groups formed in the project areas acted as a catalyst to increase the outreach as well as to take forward the project activities on a larger scale. The group members were the key persons from the operational areas, including youth and other active volunteers who helped the project team in implementation of different activities. During the reporting period, the project had been working with 10 Village Action Groups, comprising of 120 members. 107 monthly meetings were organised with the members to update them on the status of on-going project interventions, and the activities planned for the subsequent months. Through these action groups, the villagers had been informed of kitchen gardens, health workshops, skill trainings, etc. The formation of Village Action Groups gave an edge in implementation of the activities as the volunteers were opinion leaders from the community and were keenly involved in the decision making at the community level.

Monthly Meetings with CBOs - The Community Based Organisations (CBOs) were formed with intend to establish liaison and enhance cooperation among the members of already formed Self Help Groups, Youth Clubs, Adolescent Girls Groups and Village Action Committees. Nearly, 2,200 CBO members by participating in 744 meetings, in the reporting period, updated their information pertaining to on-going skill development trainings and other project interventions. Furthermore, they were encouraged on adoption of healthy and hygienic practices in their daily lives, along with the intake of balanced diet to combat seasonal infections.

Self Help Groups (SHGs)/Women Groups

SHG/Women Group Formation - With 12 pre-formation meetings, the project staff organised 33 women of Ghuswal, Mahmoodpur and Jhiljhilapurwa villages in three Women's Group; thereby taking the number of Women Groups to 22. In these pre-formation meetings, the community women were sensitised on the benefits of becoming the part of a group, along with the project objectives and activities. The capacity building programmes and skill

development trainings provided to the group members were also highlighted. Furthermore, 02 Women Groups at the villages of Bagiyamau and Mahmoodpur respectively were transformed into SHGs. The members of all these groups actively participated in the monthly meetings and extended their cooperation in implementation of the community interventions.

Monthly Meetings - To create and develop a pool of social capital in order to provide continuous support in their endeavour to come out of poverty, the project staff continued to work with already formed 12 SHGs and 22 Women Groups. The members of these groups were actively involved in various aspects of group management such as conducting meetings, documentation related to the group, saving collection and remittance, credit assessment (loan request appraisals), and loan sanction. Monthly meetings with members of the groups were continuously carried out to make them cognisant with the healthy hygienic practices. The participants were prompted to be the part of the skill development trainings for livelihood activities. Discussions on social issues obstructing the village development were also taken up. Bank account of all the 12 SHGs had been opened, and they were depositing their monthly savings of either INR 50 or INR 100 in their respective bank accounts. Over the period of project duration, SHGs has emerged as a self-managed and self-reliant institution, constantly working for the improvement of their socio-economic conditions.

Self Help Group's with Bank Accounts					
S. No.	Name of Group	Village Name	Total members	Monthly Savings (INR)	Name of Bank
1	Perfect SHG	Hasanpur Khewali	10	100	IOB
2	Santoshi SHG	Naya Purwa	12	50	IOB
3	Murali SHG	Bagiyamau	10	50	IOB
4	Laxmi SHG	Naya Purwa	12	50	IOB
5	Om Sai SHG	Ahimamau	13	100	IOB
6	Shiv SHG	Hasanpur Khewali	14	50	IOB
7	Om Shanti SHG	Bagiyamau	11	100	IOB
8	Sai Baba SHG	Hasanpur Khewali	12	50	IOB
9	Jai Maa Durga SHG	Bagiyamau	11	100	IOB
10	Sahara SHG	Nijampur	12	100	IOB
11	Veshno Devi SHG	Ahimamau	11	100	IOB
12	Anshika SHG	Mahmoodpur	10	50	AB

IOB - Indian Overseas Bank, AB – Allahabad Bank

SHGs Leadership Training - To comprehend the interest areas of SHG members for skill development trainings as well as to further capacitate them, the project organised training of 41 members of SHGs/Women Groups on 30th November at the project office. Discussions on the income generation activities, formation of new groups, and retention of members in exiting groups were taken up. Furthermore, it was proposed that a SHG must function on the ideology of Panch-Sutra wherein activities such as monthly meetings, monthly savings, inter-loaning, record register updates and loan recovering must be instinctively followed.

Hindi Literacy Classes

Literacy Sessions - Education is not only necessary for employment and learning, but it is required to create a sensitive and growth-seeking generation. People need to be empowered with education, to further know their rights as the citizens of the country. Working towards the

endeavour, the project conducted Hindi literacy classes for 54 women of the project area in order to empower them with the necessary knowledge and skills required to adeptly continue their daily chores by being able to read the necessary information and carry out basic calculations to manage budgeting and savings. Through these sessions, women had learned to read and write basic sentences in Hindi, along with signing the important documents.

Adolescent Girls Groups (AGGs)

Adolescent Girls Groups (AGGs) Formation - During the reporting period, the project organised 22 girls from the villages of Tantaha and Hasanpur Khewali in two new groups, apart from the pre-existing 14 groups with 183 girls. 04 pre-formation meetings were carried out to form these groups wherein the members were informed about the objectives and benefits of forming the group. Furthermore, these meetings highlighted the capacity building programmes and skill development trainings provided to the group members. Besides, regular monthly meetings were organised by the respective group members who were presided by either project staff or animators from the project, and the discussions on various social issues such as child marriage, girl's education, personal health and hygiene were taken up.

List of Adolescent Girls Groups – Attached as Annexure 6

Monthly Meetings - The project staff continued to strengthen the already formed 16 Adolescent Girls Groups by providing them information on the social issues of early marriage, reproductive health and child labour, etc., through monthly 173 meetings. These meetings witnessed the participation of 205 group members, and the discussions were also focussed on the concerns of reproductive health, early marriage as well as hygiene issues faced by the respective girls. Also, the girls were motivated to be the part of skill trainings and capacity building sessions. As a result of these meetings, nearly 150 girls from the respective groups selected the courses of sewing, English speaking and basic computers.

Leadership Training - With an objective to groom the girls with leadership qualities and in decision making, Adolescent Girls Group leadership training was organised on 13th December, wherein 21 girls/women were encouraged for voluntary participation at their respective village level. Furthermore, discussion on issues related to health and hygiene, sanitation, sexual as well as reproductive health were taken up. The participants were sensitised about physical and psychological changes during adolescence, nutritional requirements during menstruation, importance of balanced diet, etc. Also, information pertaining to the skill development trainings was disseminated.

Youth Clubs

Monthly Meetings - Recognising the issue of tobacco chewing and smoking being rampant amongst the community youth, the project staff continued to work with 130 members of already formed 10 Youth Clubs. Through 116 monthly meetings, the members were educated on the importance of sports and exercises to improve their physical and mental health. These meetings were focussed on the development and communication of messages intended to make the youth aware of the prominence of balanced diet and healthy lifestyle. The participants were sensitised to adopt other healthy behaviours that includes avoidance of tobacco, alcohol as well as drug use and demonstrate higher academic performance at their educational institutions.

List of Youth Clubs – Attached as Annexure 7

Leadership Training - The project organised 02 youth leadership trainings on 10th January and 09th August, that witnessed the participation of 68 Youth Club leaders. These sessions were

intended to capacitate the Youth Club leaders with emotional strengths and behavioural characteristics required for being an efficient leader. The participants were made conversant with the Community Development Project (CDP) interventions and intend of the trainings, along with the project achievements. Thereafter, the information pertaining to various government scholarship schemes, as well as the diploma courses offered by Ansal Institute of Technology and Management (AITM) was disseminated. Moreover, Youth Club leaders were encouraged to work towards the community development and to spread awareness about the project activities.

Cleaning Action - Since cleanliness is a paramount responsibility of every individual, therefore, it is imperative to educate the community members on the importance of adoption of healthy and hygienic habits. The project staff organised 11 cleaning actions at respective project areas to spread the message of ecologically safe and sustainable sanitation practices. During these actions, the common areas of the village were thoroughly cleaned and issues pertaining to seasonal infections were taken up. The continuous motivation by the project staff prompted the local people to take action for maintaining cleanliness in their surroundings.

Details of cleaning actions with the respective locations has been attached as Annexure 8

Training on Sewing and Tailoring - In order to empower the women economically in the target community with vocational skills and trainings to make them capable of contributing towards the upkeep of their respective families, the project trained and certified 98 women/girls from the project area on sewing skills. These trainings were organised at the sewing centres situated in the villages of Tantaha, Bagiyamau, Ahimamau, and project office, Lucknow. The trainees were educated on every bit of knowledge required in stitching and tailoring; they had learnt to prepare blouses, petticoats, suits, salwar and sewing various frocks such as the umbrella cut frock, simple frock for babies and children. These trainees were awarded certificates by the dignitaries from Ansal API and AITM. On these occasions, the students also shared their feedback about the course along with their learning's during the three months training on sewing and tailoring skills.

Details of sewing students attached as Annexure 9

Group Activities with CBOs - The project staff organised 11 group activities with 471 CBO members wherein several recreational activities such as games, competitions, rallies, etc., were carried out. These activities were intended to disseminate the message of significance of physical activities for healthy and disease free living. These group activities raised the interaction and established liaison amongst the members of CBOs so as to ensure their extended cooperation in organising community events. Furthermore, lessons on adoption of healthy and hygienic practices were given, along with the emphasis on the intake of nutritious food.

List of group activities at the respective locations has been attached as Annexure 10

Sports Activities - The Community Development Project participated in Ansal Premier League cricket tournament held from 27th January to 04th February at Lucknow. A team of 15 youths from 10 villages of the project operational area was selected by the project staff to play in the tournament. The team was named as "Humana Cricket Club Lucknow". The team representing Humana lost the first match and won the next two matches with a good score margin. However, the team lost the semi-final match and was out of the tournament. All the players from the Humana team got participation certificates and medals.

To promote the importance of physical well-being through regular exercise and sports events, a cricket tournament was organised in Bhedankheda village wherein 16 individual teams participated. The event was a joint initiative of Ansal API, Radha Swami Youth Club and the

community members from Bhedankheda. The event was inaugurated by Dr. R. K. Yadav (Director of AITM), Mr Shankari Singh (Member of Bahujan Samaj Party), Mr Hanoman Rawat (Gram Pradhan), Mr Dinesh Kumar (Ex. Gram Pradhan) and Mr Satguru Rawat (member of *Zila Panchayat*), in the presence of Mr Keshav Prasad (Ex. President of Hasanpur Gram Panchayat and Member of Zila Parisad - Lucknow), community youth and the project staff. All the teams gave their best in their respective matches, held from 25th April to 31st May and team from village Arjunganj won the tournament.

Health and Sanitation

Health Workshop - To disseminate the information pertaining to health issues, and immunisation and vaccination for children, 11 health workshops were conducted with 503 community members. In these workshops, Dr. Jitendra Shukla (Homeopathic Physician and Consultant at Divisional Hospital, Northern Railway at Lucknow), along with respective Gram Pradhan's were invited as resource persons. The participants gained knowledge on the adoption of healthy hygienic practices, along with recitation of procedure that each girl has to follow during pregnancy for having a healthy child and to keep oneself healthy. Importance of having fresh and organic vegetables was described, that could be achieved by having their own kitchen gardens, which would also help them in saving money. Discussions were as well held on topics of safe drinking water, and personal hygiene in general.

Tree plantation and Session on Global Warming - Since global warming has emerged as one of the most important environmental issues ever to confront humanity, there was a felt need to educate the school students on the climate change concerns and challenges. Working towards this endeavour, a session on Global Warming and Climate Change was organised at five government schools of respective villages on the under-mentioned dates.

S. N.	Date	Village	No. of Participants
1	11 th July	Jhiljhilapurwa	48
2	18 th July	Nizampur	55
3	18 th July	Mahmoodpur	42
4	19 th July	Ghuswal	45
5	20 th July	Bagiyamau	50
Total Participation			240

The students learned about the reasons for the rise in temperature along with its impact on natural eco-system, water resources, agriculture, and health. Students were encouraged to plant more trees to curtail the effects of global warming. For the better retention of the message, 250 saplings were planted at the common community places and government schools during the reporting months. Furthermore, a brief discussion on the basic human rights and Child rights violation was also undertaken.

Project Outreach Meetings

Meeting with the Key Persons - To increase the project outreach, visibility to the support extended by Ansal API, and to make the community members conversant with the project activities, the project staff participated in 65 Gram Panchayat meetings at the project operational villages respectively. The project interventions, along with its possible outcomes were thoroughly explained to all the participants. Discussions on the upcoming activities, including bank awareness meetings, health awareness meetings, sports activities for youth,

trainings related to income generation, etc., were carried out. As a result of these meetings, the members of Panchayat assured to extend their possible support for implementation of the project activities.

A meeting with Mr. Prashant Singh (Manager of Axis Bank), Mr. Pusker Raj, (member of Lion Club, an independent entity working for the welfare of locals) was concluded in January. These meetings were intended to secure their support and involve them in the activities for smooth functioning of the same. As a result of these meetings, Lion Club agreed to organise one health camp in the project's operational area.

A meeting with Dr. Deepak Rai and Dr. Vineeka Singh (Home Science Scientist, Krishi Vigyan Kendra) was achieved to explore the opportunities to establish liaison with Krishi Vigyan Kendra to avail their schemes and services at the respective project operational areas.

On 25th February, the project staff organised a meeting with the Bank Manager of Indian Overseas Bank to discuss the possibilities and documentation involved in opening of an account of SHG and Women's group members. Also, the project activities were thoroughly explained to the Bank Manager who appreciated the programme and assured to provide his required assistance.

To enrol the community youth in 15 days voluntary training programme on Solar and LED repairing organised by Bank of Baroda trust, the project staff organised a meeting of Youth Club members with Mr Ritesh Modgill and Anki Verma (Training officers) on 18th February to make the youth conversant with the scope and outline of the training programme. After thoroughly discussing all the aspects of the training, 09 youth enrolled themselves.

On 11th March, then Project Leader, Sunil Chauhan had meeting with Dr. S.N.S. Yadav (Chief Medical Officer, Lucknow) and Dr. Jitendra Shukla (Homeopathic Physician and Consultant) at Divisional Hospital, Northern Railway, Lucknow. During the meeting, the project leader had detailed discussion about HPPI and its activities with both the doctors and requested their assistance in project interventions that requires their expertise. As a result of the meeting, the doctors assured to extend their possible support for implementation of the project activities. A meeting with Mr. Mohit (Human Resource Manager, Best Price) was concluded on 16th April to discuss the placement procedure and finalise the interview date as well as the venue.

The project team had been meeting with Mr. Nand Lal from Forest Department of Lucknow to ensure his contribution in the tree plantation drive that was planned during the forthcoming monsoon. During the meeting, the project interventions were thoroughly explained to him, and he was requested to extend his support by providing saplings for the tree plantation drive. As a result of this meeting, the department provided nearly 250 saplings during the tree plantation event, which actually took place in July and August, at the common community places and school premises of 10 villages.

Other Project Activities

Health Camp - During the reporting period, 02 health camps were organised by the project staff at AITM campus and Hasanpur Khewali village respectively on 07th April and 25th June. The health camps were intended to provide quality health services to the community members. The project reached out to 335 people in all the villages of project operational areas through these camps. Counselling and thorough health check-up were provided by Dr. J. K. Shukla

(BHMS Doctor at Sanjeevani Welfare Foundation) Dr. Gyanchand Shukla (MBBS doctor at Sanjeevani Welfare Foundation), Dr. Vaseem Ahmad (Retired Senior Medical Officer) and 6 supported staff members. Doctors also traced the history of the disease and based on that made prescription of the medicine. Free medicines were provided to nearly 45 patients diagnosed with some illness; however, protein and multi-vitamin supplements were given to almost all the participants.

S. No.	Date	Village	No. of Participants
1	07 th April	AITM Campus	250
2	25 th June	Hasanpur Khewali	85
Total Participation			335

Establishment of Kitchen Gardens - The project staff had been constantly mobilising the community members to establish homestead gardens to ensure the uninterrupted supply of fresh and organic vegetables. They held continuous discussions with the community women about the importance of kitchen gardens and distributed good-quality seeds of several vegetables. As a result of these efforts, 232 kitchen gardens in all project villages were established during the reporting period. Furthermore, the project staff made over 500 visits to kitchen gardens to motivate the families to continue growing vegetables and explained its significance.

Lesson on Nutritious and Healthy Food - To raise the consciousness of the community members about the need of having nutritious food for healthy living, the project staff delivered 34 lessons on nourishing and healthy food. These sessions witnessed the participation of 1,260 community members from various villages who learned the importance of having balanced diet, along with the hazardous effects of consuming food laden with pesticides. Moreover, the ways to improve their diets and eating habits were also discussed to explore basic concepts of good nutrition, health and healthy diets.

Meeting of Youths with Bank of Baroda training officers - To enrol the community youth in a 15-day voluntary training programme on Mobile Repairing organised by Bank of Baroda trust, the project staff coordinated a meeting of Youth Club members with Mr. Ritesh Modgill (Training officer, Bank of Baroda Trust) on 21st April to make the youth conversant with the scope and outline of the training programme. After thoroughly discussing all the aspects of the training, one youth from the village Bhedankheda, Sameer Singh enrolled himself for the training that took place at the premises of Bank of Baroda Training Centre at Lucknow.

Computer & English Speaking Course - The increasing competition in the job markets as well as enhanced reliability on information technology resources, computer literacy has gained an utmost importance. Therefore, to equip the community youth with the essentials of computer and to quench the knowledge thirst of all those who wish to delve into the intricacies of education, the project facilitated the enrolment of 184 students in the basic computer course offered at AITM since 15th January, 2016. The course offered the learning of fundamentals in computers that primarily includes an introduction of computer, its hardware and software, various commands and shortcuts, painting, note pad, word pad, MS office, window movie maker and the Internet. Furthermore, an objective test was conducted after completion of three-month course, and all the qualified students were provided with the certificates.

Similarly, realising the fact that good communication skills are the prerequisites to excel in one's career, the project staff facilitated the admission of 75 community youth in the three

months English speaking course offered by AITM. The course commenced on 25th April at AITM campus and was concluded on 6th August. During the course, the students learned to be effective communicators in English, along with formulation of better and grammatically error-free sentences. Group discussions and debates were periodically organised to instil the confidence among the learners to share their views, ideas and thoughts in English, thereby acquiring adequate command over speaking skills. All the students who had successfully completed their course were awarded with the certificates that could help them in obtaining the jobs.

Furthermore, 05 students from the villages of Bhedankhera, Bagiyamau, Nayapurwa, and Jhiljhilapurwa were mobilised and facilitated to get admission in the professional courses of MBA (Master of Business Administration) and B. Tech (Bachelor of Technology) at AITM.

List of students completed their computer course - Attached as Annexure 11

List of students accomplished their English speaking course - Attached as Annexure 12

Placement of Community Youth - To enable the candidates to land up in the right job and to facilitate the right employer for the right candidate, the project staff organised a placement drive of 23 community youths with Best Price store placement officers on 28th April. Mr. Mohit (Human Resource Manager, Best Price) took interview of all the candidates. Only 11 applicants made to the second round that was organised on the evening of 18th May. However, the final confirmation and offer letters were given to 05 aspirants.

Exposure visit to AITM, Lucknow – The project organised an exposure visit for 70 young men and women from 10 villages on 16th January to AITM exhibition of Science and Technology wherein more than 1,200 scholars from different districts like Barabanki, Gonda, Unnao, Rai Bareilly and Lucknow participated. The participants visited different sections where faculty members of AITM explained about the different projects on display like Interactive Robot, Eco Friendly Green Energy Car, Quad Copter for Aerial Surveillance, Home Automation and Surveillance System as well as some of the inspirational painting made by the students of AITM. The exhibition was followed by a cultural programme wherein students of AITM presented dance performance and songs, followed by the lunch that was served to all the participants.

The World AIDS Day - On 1st December, the project organised the World AIDS Day together with the employees and management of Ansal API. Mr. Lalit Gupta (Vice President, E & FM), Mr. U. K. Gupta (Vice President, Projects), Dr. Rajender Kumar Yadav (Director, Ansal Technical Institute), Mr. Salil Gupta (General Manager), Mr. Ajay (General Manager) and Mr. Harsh Kapoor (Liaoning Officer) from Ansal API Lucknow graced the occasion by their presence. This event witnessed the participation of over 100 employees of Ansal API along with village stakeholders wherein discussions on preventive measures for HIV infection were taken up. A presentation was delivered by the project coordinator highlighting the facts and figures related to this infection, along with the ways of its transmissions and its preventive measures. The participants were also suggested to keep aside the discrimination and stigma attached to the infection. The sessions were followed by a movie show demonstrating the ways of spread, and about the changes required in one's lifestyle in order to reduce the risk of contracting HIV infection.

Republic Day celebration - The project staff participated in the cultural programme organised on 26th January to celebrate 67th Republic Day at Purv Madhymik Vidhyalaya (a government school at Hasanpur Khewali village). Mr Suraj Kumar (Gram Pradhan of Hasanpur Khewali

village) graced the occasion with his presence and the event witnessed the participation of nearly 120 school students, community members and stakeholders. Celebrations commenced with the hosting of flag and a brief discussion on the freedom struggle of India and the making of constitution by the school headmaster, followed by onset of a cultural programme wherein the children sang patriotic songs, delivered speech as well as poems and presented dance performances.

Women Day Celebration - To appreciate the remarkable contribution of women to our society as well as to honour the life, grit and determination of women, the project staff held a day of celebrations with 35 CBO members village Mahmoodpur to promote a call for gender parity. Women rights and empowerment were thoroughly discussed along with the social issues of female feticide, child marriage, dowry, etc. On this occasion. Mr. Anurag (Outreach worker, HPPI) addressed the group of women and presented the achievement of women in the world and discussed women empowerment as well.

Participated in AITM events - To further reach out to the community members, the project staff participated in the Annual Festival “**Carvan 2016**” held on 02nd of April at AITM Campus. Nearly, 450 community members relished the performances given by AITM students as well as dance and singing performance by the members from Adolescent Girls Group and Youth group. The event ended with the concluding remarks by the director and distribution of participation certificates to all the candidates. Furthermore, the staff represented the project activities and its achievements in “**Holi Milan Samaroh**”, organised on 01st April wherein HPPI Annual Reports, Pamphlets and IEC materials were distributed to the participants.

Arts Competition - The project staff organised a drawing competition for the students of government school at Ghuswal village on 23rd August. The theme of the drawing competition was Global Warming and Climate Change, and this event was intended to educate the school students on the climate-change concerns and challenges. Therefore, the reasons for the rise in temperature, along with its impact on natural eco-system, water resources, agriculture, and health was explained to them prior to the competition. Then, requisites for the drawing were distributed by the project, and the students sketched their creativity on the chart papers. The best drawings were acknowledged with the words of appreciation.

Impact of the Project

The Community Development Programme intends at holistic development of the community with the main focus on women, adolescent girls and youth. Through the programme interventions, deprived and underprivileged sections of the community are provided with an opportunity to earn their livelihood through skill trainings, and they are capacitated through the literacy classes.

Activities organised by the project staff acted as a catalyst to establish the rapport with the community, and the people of the community has been actively participating in all the events and activities, representing the trust that has been created between them. The awareness campaigns and activities addressing health and hygiene, water and sanitation, people’s rights, government schemes, etc., are providing the community with the knowledge base to tackle issues, which affect their daily lives.

Youth Clubs disseminates the information on physical fitness and the importance of exercise in our daily lives. Village Action Groups has been formed to increase the outreach and to take

forward the project activities on a larger scale. The formation of Self Help Groups, Women Groups, and Adolescent Girls Groups has been contributing to the empowerment of women by making them self-sustained through development of their skills. The members meet every month and the frequency increases in situations that need attention, collective decision and an action to safe guard their interests. The group members in their monthly meetings are learning about affairs that affect their lives and the ways to control them.

The skill trainings imparted to the women, and youth helped them avail employment opportunities or start their own business. Besides, the project has been able to establish kitchen gardens that has not only reduced the expenses of community members on buying vegetables but has also provided them fresh and organic vegetables. Thus, the project has been contributing to the overall empowerment and development of the community, working shoulder to shoulder with them throughout its operational area.

Annexure 1: Case Story

My name is Premlata, and I am 20 years old. I stay with my father, Ghaseta Ram at Mahmoodpur village. Community Development programme is being implemented by Humana People to People India in our village, and an Adolescent Girls Group (AGG) have been formed by them. I became the part of this group after understanding its objective as well as benefits associated with it. During a monthly meeting, community animators, Pooja and Sunita Koul informed me about the sewing course that was going to start at Tantaha village. I was also willing to learn sewing and tailoring in order to financially support my family. Thereafter, I had a detailed discussion about the course with my parents and after getting their consent, I joined three months sewing course.

Now, I have successfully completed my three months training in sewing skills. Through this training, I have learnt every bit of knowledge required in stitching and tailoring, along with sewing of 27 types of clothes. These skill set enabled me to earn INR 800 to INR 1000 per month that has empowered me to assist my family in income generation. Furthermore, I have secured my future by learning the sewing and tailoring skills.

I am eternally thankful to Humana People to People India and Ansal API for giving me an opportunity to support my family and experience a blissful life.

स्वास्थ्य के बारे में विस्तृत जानकारी दी। उन्होंने महिलाओं को बताया कि सभी महिलाओं को प्रशिक्षण लेकर अपना कार्य करना चाहिए जिससे परिवार की आय में वृद्धि हो। वहीं अंसल के लाइजनिंग आफिसर हर्ष कपूर ने महिलाओं को बताया कि संस्था के सहयोग से अंसल इंजीनियरिंग कालेज में गरीब परिवारों को निःशुल्क कम्प्यूटर का

प्रशिक्षण दिया जा रहा है। जो भी इच्छुक महिलाएँ कम्प्यूटर क्षेत्र में अपना भविष्य बनाना चाहती हैं वह वहां से प्रशिक्षण ले सकती हैं। इसके साथ ही जिन ग्रामीणों को इंगलिस स्पीकिंग सीखना हो तो वह भी 15 मार्च से शुरू होने वाले प्रशिक्षण कार्यक्रम में भाग ले सकते हैं। ग्राम प्रधान अहमामऊ ने कार्यक्रम में आयी महिलाओं को बताया कि महिला यदि प्रशिक्षित होती है तो व अपने हुनर से परिवार की आर्थिक मदद के साथ अपने घर के सदस्यों व परिचितों को प्रशिक्षित भी कर सकती है। इससे महिलाओं को

कभी दूसरे पर व अपने परिवार पर आश्रित नहीं होना पड़ता है। संस्था के अधिकारी अशोक यादव ने बताया कि आज इस क्षेत्र की अब तक करीब 120 महिलाओं को प्रशिक्षित किया जा चुका है और लगभग 45 महिलाओं ने प्रशिक्षण लेकर अपना रोजगार कर रही हैं। शिक्षिका मीना अवस्थी ने बताया कि सिलाई प्रशिक्षण के दौरान 28 प्रकार की कटिंग और सिलाई का प्रशिक्षण महिलाओं को दिया जा चुका है जिससे उन्हें अपना रोजगार करने में कोई दिक्कतें नहीं आनी चाहिए।

The newspaper cutting of Voice of Lucknow talks about the skill development initiative of HPPI with support of Ansal API to economically empower the women and to strengthen the financial condition of their respective families

बच्चों को दिए गए प्रमाण-पत्र

■ एनबीटी, गोसाईगंज : हुमाना पीपल टू पीपल इंडिया एवं अंसल इंजीनियरिंग कॉलेज के सहयोग से निःशुल्क कम्प्यूटर एवं इंग्लिश स्पीकिंग सीख रहे 177 बच्चों को रविवार को प्रमाण-पत्र दिए गए। हुमाना संस्था के कोआर्डिनेटर महेन्द्र सिंह ने बताया कि बच्चों को तीन माह का निःशुल्क कोर्स करवाया गया। इसमें 101 बच्चों ने कम्प्यूटर और 76 बच्चों ने इंग्लिश स्पीकिंग का कोर्स किया। प्रमाण पत्र वितरण समारोह में कॉलेज के डायरेक्टर आरके यादव भी मौजूद रहे।

Annexure 3: Voice of Beneficiary

Kusuma Sharma, a resident of Ahimamau village is associated with Om Sai Self Help Group since May, 2014. She is one amongst the many that have been benefited from the financial support mechanism offered by SHGs. She quoted that, “becoming the part of this initiative has been a blessing to me, as it has provided me with the capital when I need it the most. Out of the total group savings of around INR 45,000, I have availed a loan of INR 8,000 at the time of my child birth for the hospital expenses. Availing loans from other source is often time taking but my SHG has provided me with immediate financial support with a minuscule interest rate. I have repaid the whole loan amount; and now I am very consistent with making monthly savings with SHG so that I can have financial security during emergency hours. I believe this intervention will go a long way to develop a pool of social capital for providing continuous support to the community members in their endeavour to come out of poverty.

कि यह संस्था एमोर गाँव में इसी तरह कार्य करती
रहे हम संस्था के उज्जवल भविष्य की
कामना करते हैं।

हस्ताक्षर

Translation:

This is to certify that the Community Development Project is being run by Humana People to People India in our village Yusuf Nagar, Bagiyamau in collaboration with Ansal API since September, 2013. Under this project, Self Help Groups, Kitchen Gardens, Health Camps, Cleaning Events, Health Workshops etc., was organised which has generated awareness on health and hygiene amongst the community members, along with the active participation in Village Gram Panchayat meetings. Women and girls within the villages are taught tailoring, which helps them in becoming self-sustained. Youth are motivated to be self-reliant and earn a living.

I appreciate the work they have done and I hope that Humana continues doing the same kind of work in our village.

Sunita, Block President
Gram Panchayat, Yusuf Nagar
Lucknow

To Whomsoever It May Concern

This is to certify that "Community Development Project – Lucknow" of 'Humana People to People India' has been executing commendable work for the betterment of human beings.

HPPI is working for empowering the countryside and underprivileged residents by capacity building of various groups like Self Help Group, Women's Group, Youth Group, Adolescent Girls' Group and Village Action Committees.

The project is also working on Skill Development through Sewing Training to women and girls of the villages.

In association with Ansal Technical Campus, Lucknow, the Community Development Project undertook Computer Training, Soft Skills Training and Employability Enhancement Training for the desiring youth.

Employees of 'Humana People to People India' are doing marvelous work in multidimensional areas. I would like to recommend that Community Development Project – Lucknow of Humana People to People continues its generous, genuine and humane services for improving the quality of life of the deserving beneficiaries.

I wish 'Humana People to People India' (Community Development Project, Lucknow), a very bright future.
